Mr. Stansfield Turner

Washington, D.C. 20505

Dear Mr. Turner:

We cordially invite you again to appear on Focus On Youth, the largest radio interview program in the nation. Every week, over three million listeners tune to 300 of the nation's largest commercial radio stations to hear many of the finest leaders from all walks of life interviewed by a small panel of college students.

Past guests include: George Bush, William Colby, James Schlesinger, Jimmy Carter, Edward Kennedy, Walter Cronkite, Milton Friedman, Harold Brown and Zbigniew Brzezinski.

We are in the process of scheduling interviews for the Spring and Summer of 1980, and would be honored if you would once again accept our invitation. We tape our interviews on location in Washington, New York or points between these cities. A Focus On Youth interview lasts just thirty minutes and can be taped at your convenience.

Enclosed you will find information about Focus On Youth to give you an idea of the quality of our program and the national attention it has received.

Thank you for your generous consideration.

Sincerely yours,
